We want to assure you that the Falls Creek Country Club is committed to the health and safety of our current and future guests, employees and the wider community.

The Falls Creek Country Club will implement cancellation and provide a refund as requested if:

If you decide to cancel prior to your final payment being due, please refer to our standard terms and conditions listed in your correspondence at the time of booking.

PLEASE NOTE: For the safety of our guests, our pool, spa, sauna, restaurant, changerooms and luggage storage facilities are closed until further notice.
